BACK ON TRACK INDIANA

Governor Holcomb created a roadmap to safely reopen Indiana. The full plan can be found at backontrack.in.gov. Below are some highlights that specifically apply to activities at Lake Santee. Each stage has dates tied to it that are tentative and will be subject to change based on Executive Orders issued by the Governor.

YOU ARE HERE

Stage 2: May 4th - May 23rd (Executive Order 20-26)

Social Gathering Size: 25 people or fewer, following CDC social distancing guidelines.

Face Coverings: Recommended

What's Opened? Boating is permitted. Boaters must following social distancing guidelines. Please feel free to take advantage of one of our many coves to drop an anchor, fish or just hang out with your family.

What's Closed? Community room, shelter houses, playgrounds, tennis/basketball courts, recreational sports tournaments (which includes fishing tournaments), and beaches.

Since our beaches also contain playgrounds, they fall under the stricter of the two polices regarding playgrounds and beaches/shorelines.

Stage 3: May 24th - June 13th (tentative)

Social Gathering Size: 100 people or fewer, following CDC social distancing guidelines.

Face Coverings: Recommended

What's Opened? Community room, shelter houses, playgrounds, tennis/basketball courts, and beaches/shorelines.

Beaches and shorelines are subject to the social gathering limitations. So that the number of people on the beach can be tracked, access to the beach will be available through the gate only (not from the shoreline) on the weekends/holidays. You will be required to show your beach pass to gain access to the beach. If the Main Beach is crowded, don't forget that you can also visit the East Beach!

What's Closed? Recreational sports tournaments (which includes fishing tournaments)

Stage 4: June 14th - July 3rd (tentative)

Social Gathering Size: 250 people or fewer, following CDC social distancing guidelines.

Face Coverings: Optional

What's Opened? All items in stage 3 plus recreational sports tournaments (which includes fishing tournaments)

Shorelines will be open on weekends, in addition to weekdays.

What's Closed? Large events

Stage 4: July 4th and Beyond (tentative)

Social Gathering Size: Over 250 people, following CDC social distancing guidelines.

Face Coverings: Optional

What's Opened? All items in stage 4 plus large events.

What's Closed?
