ORDINANCE NO. 9-20-2000

An Ordinance establishing penalties for the violation of policies or ordinances of the Lake Santee Regional Waste District.

BE IT ORDAINED by the Board of Trustees of the Lake Santee Regional Waste District ("District") that:

Section 1. The District has previously established and provided policies and ordinances concerning rates and charges as well as connection to and the use of the District's sewage system.

Section 2. When the District finds that any person or entity has violated the District's policies and/or ordinances, the District may direct the violator to take immediate action to cease and desist from such activities and to take other appropriate remedial or preventative action as may be deemed necessary by the District.

Section 3. In the event a violation of the District's policies and/or ordinances has damaged the District's sewage system or caused the District to bear or incur costs associated with such violation, the District shall submit an invoice to the individual property owner, contractor or other appropriate person or entity as established in the District's sole discretion.

Section 4. The commission of any act prohibited by District ordinance or policy or the failure to perform as required pursuant to ordinance or policy of the District shall be a punishable violation of this Ordinance. The penalty for violation shall be not less than $100.00, and not more than $1,500.00 as established in the District's discretion. Acts or omissions may be considered separate violations or offenses for each day of violation.

Section 5. Any property owner, user, contractor or others affected by any decision, action or determination of the District under the terms of this Ordinance may file with the District a written request for review and consideration within ten (10) days of such decision, action or determination. A written request for review and reconsideration shall set forth in specific detail the facts and reasons supporting the request which shall be considered by the District's Trustees at its next regularly scheduled Board meeting. However, the District's decision shall remain in full force and effect during the period of reconsideration.

ADOPTED this 20th day of SEPTEMBER, 2000.
