FROM the DESK of JOHN LECHER LAKE MANAGER

Congratulations to Rick Justus for reaching 25 years of service with the Lake Santee Property Owners Association's Maintenance staff. This is a big milestone and we Thank You for all of the years taking care of our community.

An approved list of goose hunters will be hunting Canada geese from October 31st – November 8th.

We will be lowering the lake faster this year once we open the spillway gate valve to prepare for the seawall repair in November and December. We will need all boats off the water by November 1st.

October hours in the Marina Store will be Saturdays 10:00 -5:00 and Sundays 12:00 – 5:00 from October 3rd – October 18th.

I want to remind anyone that is purchasing a new boat to check with the office with the make and model to confirm the length is within our guidelines.

RWWD employees will be flushing hydrants Tuesdays, Wednesdays and Thursday in October.

SECURITY

Security reminders from the team:
Remind your contractors, YOU get the citation if they are speeding.
Be good neighbors and watch out for one another.
See something, say something!

Lake Santee's SMOKE SIGNALS

The By-Laws of the LSPOA state in Article IV, Section 4 and Article IX, Section 2 that the Association will have an official monthly publication.

Our first Lake Manager, the late Tony Miller, gleaned from his travels to other lakes that the organization of a Booster Club to handle this publication would be beneficial. The first official publication, which became known as SMOKE SIGNALS was first published on March 28, 1969. It was produced by a group of VOLUNTEERS and continues as such to this day.

Funds for this monthly publication are received from donations from LAKE SANTEE MEMBERS and our ADVERTISERS. If you would like to **VOLUNTEER** or CONTRIBUTE, contact: Paul, Jonie or Connie

Debora Yost Graphic Designer

We would like to thank our great office staff, who maintains the mailing list and prints the labels, as well as providing the monthly calendar. To both of our governing boards and the various clubs here at the lake that contribute to the make up of this publication that we call SMOKE SIGNALS

Electronic copies of Smoke Signals are available online at https://lake-santee.com/smokesignals/ If you would prefer to opt out of receiving a paper copy, please email lakesanteesmokesignals@gmail.com to be removed from the mailing list.

FOURTH ANNUAL LAKE SANTEE PICKLE PALOOZA

I would like to thank Bryant's Bar and Grille as our exclusive sponsor! They provided all of the prizes for 1st, 2nd and 3rd place winners.

This year's Pickleball Tournament consisted of 2 divisions: Intermediate and Advanced.

In the Advanced Division we had 8 participants.

1st Place Tie: Taylor Crull/Marc Fooksman
2nd Place: Nick Jennings
3rd Place: Dan Jennings

In the Intermediate Division we had 4 participants.

1st Place: Don Miller
2nd Place: Larry Nicks
3rd Place Tie: Simon Brewer/ Scott Rantz

I received a lot of positive comments about the tournament, such as: I had a lot of fun, had a great time, met a lot of new players, love the sport, look forward to playing next year. I would like express my gratitude to all of the participants; you are the ones who make the tournament so successful. Mark your calendar NOW for next year's Pickleball Tournament Labor Day Saturday September 4, 2027.

The six holidays are: Memorial Day weekend, Flag Day, July 4th weekend, Labor Day weekend, September 11th, and Veteran's Day. The flags are posted a dawn and taken down at sunset by volunteers at the Lake. Each of the flags has been flown over the nation's Capital. A subscription for a flag can be purchased by completing the form below and attaching a check: $30 for one year; $100 for four years.

Mail or deliver the completed form and a check made out to the Greensburg Breakfast Optimist Club to Ed Fox or Rick Johnson. For more info, call Ed 812-593-0171 or Rick 317-850-44

Lake Santee Golf Cart Run

The Lake Santee Golf Cart run is long standing tradition here at the lake. It is open to all residents to participate, host the run or be a stop on the run.

It is held on the third Saturday of every month May through October starting at 3:00pm at the host stop which is where the food is dropped off for the shared meal after the run is completed. The host provides the main entrée, meat, and the participants bring a side dish or dessert enough for their golf cart riders.

Each stop provides a drink or two with a light snack, some stops offer a non-alcoholic drink and snack for the younger riders. Carts arrive at the stop, stay for about 20-30 mins and then drive to the next stop, ending up back at the host location after a quick stop at the East Beach for a bathroom break. Typically, there are 3 stops and the host for each cart run of approximately 100 to 250 riders.

Riders can stay for the entire run or just a stop or two. Carts ride at a slow speed and practice safe driving so everyone has a great time.

The FTCE non-profit now sponsors the run after many years of Bryant's Bar & Grill sponsorship for the 50/50 raffle at the end of the run. Winners keep their half of the take and the money raised will be donated to a lake project decided by lake members voting.

LAKEVIEW WELLNESS

LAKE SANTEE COMMUNITY · SMOKE SIGNALS · OCTOBER 2026

A Rural Wellness Hub *at Lake Santee*

The former marina building at Lake Santee is being transformed into a welcoming rural wellness hub for our community. In this beautiful lakeside setting, we offer programs and services that nurture mind, body, and spirit —helping neighbors connect, heal, and thrive.

This is YOUR community hub — built by neighbors, for neighbors!

SAVE THE DATE · FALL WORKSHOP SERIES

FALL SERIES
Oct 5– Oct 26
MONDAYS · 7PM

Fall Wellness Workshop Series

Join us for four Monday evenings of hands-on How-To sessions designed to help you slow down, recharge, and connect with others in our community — **$20 per session, same great price as summer.** Proceeds support operating expenses during our upcoming renovation.

OCT 5TH
Fall Home Maintenance
Kevin Choate, Keller Williams Realty

OCT 12TH
Mental Health Holiday Survival Guide
Kristen Evans, Lightfinder Professional Counseling

OCT 19TH
Making Technology Work for You
Spencer Ozbun, Websuit

OCT 26TH
Smart Tax Planning Starts Now
Jason Raver, Raver CPA Group

Want to present or sponsor a future session? Reach out at info@lakeviewwellness.org.

All workshops are on the lower level

No stairs required — classes meet on the first floor.

2nd floor still open — accessible through our lake side entrance.

Enter through the **temporary door on the lake side of the building** to reach the community gathering room.

FALL WORKSHOP SERIES

Space is limited — register early!

Reserve your spot — **$20 per session.** Lakeview Wellness, 14 SW Santee Drive, Greensburg, IN.

We offer winterization/summerization, oil changes, shrink wrap, storage and more!

SUZUKI
Authorized Suzuki Dealer.

Owned and operated by Chuck Sieg and Pat Knafel, Lake Santee residents.

We Are "Going Out on a Limb" and Say,

Chances are, you look at your Lawn and landscaping more than The tops of your trees.

Early leaf drop and color change can Be an indication of poor plant health. If you see this you should call now,

Otherwise, fall is the best time to have Work done on your trees. With the Leaves gone our Certified Arborist Has a much better view of the trunk And branches which makes it easier To see:

- *Deadwood*
- *Cabling needs*
- *Dieback*
- *Cracks and splits*
- *Cankers and wounds*
- *Cavities*
- *Fungal fruting bodies*
- *Leaning*
- *Insect structures*

Give us a call to schedule an Appointment with our Certified Arborist this fall for a diagnoses Of your trees health.

I'm Stronger Because of American Senior Communities!

Our Moving Forward program is designed for those striving to restore abilities lost due to stroke, cardiovascular difficulties, orthopedic surgery and other debilitating conditions.

Programs vary in frequency and intensity and include physical, occupational and speech/language therapies. Our goal is to return our participants home safely with the skills they need to continue life on their own terms.

"Where caring people make the difference!"

BASS TOURNAMENT AUGUST

On Sunday, August 16th, seventeen teams wrapped up the 2026 USA Bassin regular season here at our beautiful Lake Santee and what a great day it was! It would appear as though the brother team of Leroy and Danny McQueen have found their bass fishing mojo again, winning their second tournament of the year, this time with a three bass limit weighing 13.85 pounds, anchored by the day's big bass, a 5.35 giant. Father & son Ronnie and Brynt Tuley finished second with three bass totaling 12.11 lbs. to take second place honors while Chandler Jennings and Bryce Lower held onto third place with 12 pounds even. Congratulations everyone!

With another Top Three finish for the division, Chandler and Bryce secured the Division Champion honors, accumulating 495 points out of a possible 500, now becoming back-to-back champs. Well done, gentlemen!

A huge Lake Santee THANK YOU again goes out to Michael Massey and all the wonderful folks at Brownies Marine in Fairland, IN for their continued support of our community and these tournaments. If you are in need of factory trained service or in the market for a new or new-to-you watercraft, look no further than Brownies Marine!

With the conclusion of the regular season events, there only remains one tournament left for the 2026 season, the September 20th Brownies Open. This event, often referred to as the "End of Summer" tournament is open to all property owners, USA Bassin members or not. As part of this tournament, immediately following the weigh in, competitors will be enjoying a complementary dinner which is being provided by an anonymous donor. At their request, we have agreed to keep the donor's identity private, but please be aware, they are lake members who wish recognize our USA Bassin anglers for their friendliness, conservation, contributions, and stewardship of our fishery and community overall. **THANK YOU** to that someone special!

So, if you ever wonder how your angling skills would stack up against some of the best teams in the Tri-State area, COME ON OUT! We'd love to have you join us and test your mettle! In just our last event, ten of our teams were made up of family members fishing together, so, as anyone can recognize, our tournaments are definitely family-oriented events!

Also, should anyone who doesn't take part in these USA Bassin events wish to donate to the established restock program where our anglers voluntarily purchase adult largemouth bass to be released in our lake and supplement the Association's stocking program, please feel free to contact Chip & Lisa.

Until Next time, remember to follow our anglers' example and **PRACTICE CATCH AND RELEASE** on all of Lake Santee's bass!

God Bless,

Chip & Lisa Ayers

August Bass Tournament con't.

Go to https;//www.wowbrary.org/nu.aspx?=5944 Ask to be added to their weekly newsletter called " Wowbrary "

You also can get a copy of the current months Calendar showing all of that months activities , meetings , etc. E—Mail Hannah Hassler Marketing hhassler@greensburglibrary.org

The BOOKMOBILE is in the Main Parking Lot
(by the office} from 12:30 – 1:30 P.M.
every other Monday; check calendar pg.9 & 10 for dates

Lake Santee

Meets the 3rd Monday of every month in the Community Room at 11:30. Bring your own lunch. In April, June and September we will meet 6:30pm. Join us and enjoy a good book discussion and lots of conversation.

Books will be available at the Greensburg Public Library. Copies of the next month's title will be available to check out after the prior month's discussion.

If you have any questions, please contact Karen Kasee at 513-382-8774 or klkasee@gmail.com.

Book Club Selections for 2026

January
The Women
by Kristin Hannah

February
Fever in the Heartland
by Timothy Egan

March
The Queen of the Big Time
by Adriana Trigiani

April * Evening Meeting 6:30pm
Someone Else's Shoes
by Jo Jo Moyes

May
.Wish You Were Here
by Jodi Picoult

June* Evening Meeting 6:30pm
The River is Waiting
by Wally Lamb

July
She's Not Sorry
by Mary Kubica

August
The Last One
by Will Dean

September* Evening Meeting 6:30pm
The Couple Next Door
by Shari Lapena

October
The Last Mrs. Parrish
by Liv Constantine

November
Miss Eliza's English Kitchen
by Annabelle Abbs

December
Who is Maude Dixon?
by Alexander Andrews

2026 Lake Santee Women's Club Calendar

(This is a tentative schedule)

ALL WOMEN ARE WELCOME TO ONE OR ANY EVENT(S).

OCTOBER 12	**Make Halloween Cards for the local nursing homes**	**Bring your own lunch @11:30**
OCTOBER 14	**Ertel Winery Luncheon and Tour Trip**	**Meet in Parking Lot @ 11:00 am**
NOVEMBER 9	**Make Xmas ornaments for Community Xmas trees Food Drive for Greensburg Jr/High Food Pantry**	**Lunch: Soups @ 11:30 AM Meeting in Community Room @ 12:30 PM**
NOVEMBER 23	**Decorate Community Room for Christmas (Sandi Bradford – chair)**	**Community Room @11:15 AM (Immediately after exercise)**
DECEMBER 7	**CHRISTMAS DINNER – RSVP (Spouses are included)**	**Clarksburg Christian Church Social Hall @ 6 PM**
DECEMBER 12	**Christmas Cookie Exchange**	**Community Room 2-4 pm**

2026 LSWC Officers:

President – Deb Yost 317-809-7904
Vice President – Debbie Richter 513-615-7404
Secretary – Donna Knight 513-324-3241
Treasurer – Cathy Bryant 513-544-7700

HELPING HANDS

HELPING HANDS is available to any Lake Santee resident needing assistance with picking up medicines, groceries, transportation to appointments, meals provided, etc. ***(Pease contact an officer.)***
Please contact any officer, who can make necessary arrangements.

Lake Santee Women's Club September Meeting

The Lake Santee Women's Club September Meeting featured recognition of Teacher Grant Recipient Sue Hadler and a fun game of Classic Rock-n-Roll Singo !

LAKE SANTEE WOMEN'S CLUB
SEPTEMBER 14 2026
SECRETARY'S REPORT

The Lake Santee Women's Club meeting was held on the evening of Monday, September 14, after we enjoyed a variety of appetizers and desserts to celebrate a successful auction. After the meeting we had a fun evening playing Singo with Steve Yost hosting the game for us. Prizes for the lucky winners were given out for the three games. Thank you, Steve, for providing this fun activity.

Deb Yost called the meeting to order and welcomed everyone to the meeting.

- *Cathy Bryant reviewed the treasurer report and gave an update of the recent activities and current balance. We had a very successful auction and a BIG thank you to all the wonderful items and baskets that were donated. Cathy stated the slide has been purchased for the main beach and will be available to be picked up on October 12.*
- *Mary Johnson reminded everyone about the annual Clarksburg Fire Department Chili Dinner on Thursday, 9/17 for the membership drive. This money helps support our emergency response team here for the Lake Santee residents. This is such a valuable resource to us when we are faced with a medical emergency.*
- *Barb Hanson provided information for the upcoming fund raiser event at the Clarksburg Community Volunteer Fire Dept at Lake Santee on October 10th at 6 pm. The proceeds will be split between the Volunteer Fire Dept and Lakeview Wellness. Tickets can be purchased for $25 at the office or by contacting Barb Hanson. There will be a silent auction in addition to a presentation on the History of Bourbon.*
- *Karen Kasee presented a check to the Teacher Grant Recipient, Sue Hadler, for her to use for her classroom. Sue says this will help fund her STEM boxes for her classroom at North Decatur Elementary School.*
- *Camp Woodsmoke was a great success. Deb Yost and Barb Hanson received a thank you note from the two groups of children that participated in the cookie making activity. Thanks to everyone that helped with this event. Judy Graves sent a thank you note to the Women's Club for the beautiful shawl, and toy/ treats for Luna.*
- *A discussion on what we should spend our auction money on was led by Deb Yost. We have several items that we would like to allocate funding to. One of the projects is the replacement of the community Totem Pole at the front entrance. We have recently learned that the wood has rotted and the split is not repairable. John Lecher has been in contact with a reputable local wood carver for options on a new totem pole. More info to follow at next month's meeting.*
- *Deb Richter has resigned her position as VP for the Women's Club due to her election to the LSPOA board. Our next election is in November for open officer positions. If you are interested, please notify Deb Yost. We also need two volunteers to be on the Election Committee.*

- *Upcoming Events:*

  October 12 - Meeting at 11:30 am in Community Room. Bring your lunch and afterwards we will make Halloween cards for local nursing homes.
  October 14 – Tentative plans to have lunch at Ertel Cellars Winery. Meet us at 11 am in main parking lot.
  November 9 – 11:30 am- Soups and desserts, make Christmas ornaments for community Christmas trees, food drive for the Greensburg Jr/High School Food Pantry, Officer elections.
  November 23 – Decorate Community Room at 11:15 after exercise class. Sandi Bradford will chair this event.
  December 7 – Christmas Dinner at 6 pm at Clarksburg Christian Church.
  December 12 – Christmas Cookie Exchange in Community Room 2-4 pm.

Lake Santee Women's Club is open to all women at Lake Santee. If you are new to Lake Santee or are not on the current e-mail list, please let Deb Yost (lakesanteewomensclub@gmail.com) know, so we can be sure to get our notices to everyone who is interested. We would love you to join us at any meeting or sponsored activity.

Friends of Wildlife at Lake Santee

Everyone Welcome!

Our aim is to encourage the members of the Lake Santee community to appreciate and protect our natural setting.

Fall topics (the good, no bad & no ugly)

Some quick points to remember as fall moves in . . .

- Leave those leaves (as much as possible - we DO have a lot of trees!) Remember there are many butterflies, moths and other insects who lay eggs that winter over in leaf mulch/piles. Blow/rake them into the woods (never the lake!) or call a friend who lives in the woods and see if you can dump them in their trees.
- It's a good time to do fall planting for next year. Asters and winterberry bushes are good choices, or a serviceberry tree instead of a Bradford pear.

Want a more natural outdoor space? There's a (really good) app for that!

Want to take a survey to see how "wild" your yard is? "Rewilding" is a good way to create beautiful outdoor spaces that attract monarchs and other butterflies, hummingbirds and songbirds, and more. Plus you may find your yard work effort and time drop significantly, giving you more time to enjoy what is taking hold.

Wildr Places app (4.8 / 5 rating) will give you a personalized biodiversity score "built for your property and your ecoregion," and track your score as your yard space changes. Discover exactly what native plants belong in your yard and get a step by step plan to make it happen. This app tailors everything to exactly where you live, and can be used on anything from acreage to patio areas. You can browse existing gardens for ideas, and keep a log of your installations.

Wildr Places

Healthier more natural yards

Get

Good helpers for thirsty bees and butterflies

A big thank you to everyone who made bee and butterfly drinking stations at the Camp Woodsmoke weekend in August. There was a big group, so hopefully lots of thirsty flyers will be happy to see water available as they go about their business.

* Note to those who made them - it has been noticed that the Ball jar lids have not retained water well. Two options - seal all the way around the inside seam of the lid and band. Or place the whole thing in a larger saucer of water and fill the lid until water level equalizes.

Lunch with FOWALS can happen anywhere! This spot by the creek near the recycling center provided a number of interesting bird, fish and insect sightings.

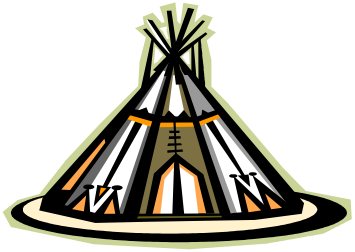

Coming Up

Mark your calendars now for the Nov. 4 meeting - we'll be making winter treats for our pine tree near the main parking lot (and eating some good human treats as well!)

Our next monthly meeting is Weds, Oct. 7, at 1 pm in the Community Room. Want to know more about FOWALS, or have a question? Contact Charm Seright at charm.seright@gmail.com.

Lake Santee Regional Waste & Water District
Meeting Minutes
Meeting of August 20, 2026 – 3:30 pm
Lake Santee Community Room

1. Call to Order / Roll Call
    a. President Tom DePalma called the meeting to order and requested a roll call. Members present were Tom DePalma, Maurie Goodwin, Joyce Eddy, Bob Kasee and Steve Yost. Larry Nicks and Larry Kiernan were absent. Also in attendance were Utility Administrator John Lecher, Utility Superintendent Greg Coffin, Utility Operator Dom Huber and John Foudray Maintenance Manager.

2. Guest introduction and short comments
    a. Michael Dora – Lot 164

3. Consent Items
    a. Minutes of 7/16/26 meeting
    b. Financial Report
    c. Register of Claims – Water
    d. Register of Claims – Sewer

    Maurie made a motion to accept the consent items, which included a couple grammatical corrections to the minutes. Bob seconded the motion. Motion carried unanimously with the corrections being made.

4. Superintendent Report
    a. Sewer Status Report
        i. Greg reported that during the excessive rains that one E. coli test exceeded the required range but that the average would be okay. He did report that reading to IDEM. He also reported on a small repair to the sheet metal on the digester and is now running properly again.

    b. Water Status Report
        i. Greg reported that another membrane was replaced. It went in easier than the last replacement.
        ii. They also replaced the blower/pump on the digester. They can be hard to find, so he suggested purchasing a replacement at a cost of $6751- to have on the shelf in case one goes out. Steve made a motion to accept the purchase of another blower/pump. Maurie seconded the motion and it carried unanimously.
        iii. Greg noted that manganese was getting through the carbon filter. He performed a three hour backwash, followed by a four hour rinse. The turbidity went back down to within limits but then came right back up. They then replaced the older carbon filter. This replacement came sooner than he had hoped for by changing them at different intervals, but it was worth trying.
        iv. The Neptune system – we are currently connecting with 98.2% of the meters, so it is working as planned.

    c. Plant Operational Review Report

        i. Exam status – Dom's new application has been submitted and fee has been paid.

Lake Santee Regional Waste & Water District
Meeting Minutes
Meeting of August 20, 2026 – 3:30 pm
Lake Santee Community Room

5. Administrator Report
    a. Status report
        i. 17 leaks of which 7 were new. .
        ii. 0 Disconnect notices
        iii. No write off or adjustments requested.

6. Treasurer Report
        i. The transfer of $50,000- from ledger # 128.1 to 131.5 to make sure we avoided any overdraft possibilities was completed.

7. Old Business
    a. Wessler projects status update
        i. Asset management plan – Greg prepared a listing of all major purchases made in the last 12 months, along with their expected lifespan to be put into the AMP. A meeting will be set with Anne to see if we can contract for them to input this update.
        ii. The GIS system continues to get updated as work occurs. The map is pretty usable at this stage, but progress is still being made to get it completely updated.
    b. The final grade has been completed on the north boring site and is considered finalized.
    c. Greg is continuing to formalize the wording for the process for handling customer requests to test and/or replace potentially faulty meters. Greg wants to make sure everyone will hear the same thing regardless of who they talk to given that multiple people may be getting these requests.
    d. Muni-Link software conversion. John Lecher stated that the contract has been signed. There will be a 6 to 8 month conversion and installation process and 2 to 3 months of oversight after. There will be various teams working with us through the process making sure everyone gets trained properly.
    e. C & H/M will be installing new water and sewer taps on Santee Drive tomorrow. Steve made a motion and Joyce seconded it to accept the contract for this installation. The motion carried and Tom signed the contract. Assuming this goes as planned a yearly contract will be signed for whenever we need to request additional taps in the future.

8. New Business
    a. John noted that our last rate increase was in January 2023. Since that time water meters have increased in price by 14%, pumps have increased 22%, lift stations have increased 11%
    b. , not to mention our increase in salaries with the hiring of Greg and Dom. He reported that if we do an Internal Rate Analysis two meetings over a two month period will need to occur assuming a rate increase is announced; therefore, a study will be conducted at the next executive committee meeting, so a recommendation can be presented to board in September, thus allowing for meeting to occur in time for a January 2027 implementation if an increase is necessary.
    c. John Foudray brought up that the building boom has ended and that there is only one more new water and sewer tap coming up for the rest of the year. Given that things have returned to normal, his crew would like to remain the primary source for those taps and only use C &H/M as a back up. His only request is that a mini

Lake Santee Regional Waste & Water District
Meeting Minutes
Meeting of August 20, 2026 – 3:30 pm
Lake Santee Community Room

excavator be purchased for taps and repairs. It would allow them to work much more efficiently in tight spaces and create a lot less ground disturbance in the process. There is used 2023 mini excavator with 1800 hours on it which is in good shape and can be purchased for $40,000. It has a "blue book" value of between $43000 – 55,000. After some discussion of all the advantages this piece of equipment would bring to the process, Bob made a motion to approve this purchase. The motion was seconded by Maurie and passed unanimously.

d.

9. Trustee Reports and Comments
   a. None

10. Adjourn – motion was made to adjourn by Maurie and was seconded by Joyce. The motion carried and the meeting was adjourned.

Respectfully Submitted by
Steve Yost, Secretary

These minutes are subject to approval by the LSRWWD Board at the 9/17/26 meeting.

LAKE SANTEE REGIONAL WASTE & WATER DISTRICT

Monthly Board meetings are held on the THIRD THURSDAY of each month at 3:30 P.M. in the Community Room

Nature Talk

By Carol Goodwin

It's October and Halloween is almost here! Bats are always a favorite Halloween decoration so let's talk about them. Bats are mammals that belong to the order Chiroptera from the Greek *cheir* – "hand" and *pteron* -"wing". They've been on earth for more than 50 million years and have more than 1,500 species. That makes them the second largest order of mammals and are spread over six continents. Bats are a vital part of our ecosystem because they eat insect pests, pollinate plants, and spread seeds.

Some other fun facts about bats: The smallest bat is the Bumblebee bat at 1.1-3 inches long, and 0.071 ounces when full-grown. The largest bat is the Giant Golden-crowned Flying Fox bat with a wingspan of 6 feet. Of all the species of bats, there are only three vampire bats that drink blood. The fastest bat is the Mexican Free-tailed bat that can fly 100 mph in short bursts. Bracken Cave near San Antonio, Texas houses up to 20 million Mexican Free-tailed bats as a summer maternity colony. Bats are one of the slowest mammals to reproduce for their size, averaging one pup per year. Maybe the most important fun fact is that producing tequila depends primarily on bats to pollinate the wild agave plants that it's made from.

Bats are being threatened with widespread habitat destruction, invasive species, and climate change. This is an unprecedented threat that will take international action to correct. Some species are more in danger than others, but the concern is very real for all bats. Our ecosystem is dependent on bats to stay strong. Our ecosystem is dependent on all kinds of species, flora and fauna, to stay strong.

Indiana has a combination of 12 species of bats in two categories; cave bats and migratory bats. Cave bats hibernate in caves, mines and less often structures in winter. In spring through fall you can find them in tree cavities, bat houses, barns, and sometimes caves. Migratory bats go south to warmer climates for winter. In spring through fall you will find them in trees.

Cave bat species are the Indiana bat (federally and state endangered), the Gray bat (federally and state endangered), the Northern Long-eared bat (federally and state endangered), the Little Brown bat (state endangered), the Eastern Small-footed bat (state special concern), the Tricolored bat (state endangered), and the Big Brown bat.

Migratory bat species are the Evening bat (state endangered), the Eastern Red bat (state special concern), the Silver-haired bat (state special concern), the Hoary bat (state special concern), and the Seminole bat.

In addition to these bats are "Historic" bats. That is, they were once in Indiana but have not been confirmed here for decades. The good news is that these species are seen in nearby states so may be seen in Indiana in the future. They are the Rafinesque's Big-eared bat (last recorded in 1962; State special concern), and the Southeastern bat (last recorded in 1977; State special concern).

North America does not have any vampire bats. They are only in parts of Mexico, Central America, and South America. But in October we can pretend they are here!

LAKE SANTEE PROPERTY OWNERS ASSOCIATION, INC.
BOARD MEETING MINUTES
September 9, 2026

Vice President Nathan Walsman called to order the September monthly board meeting of the Lake Santee Property Owners Association and welcomed all membership in attendance.

The Lake Santee Property Owners Association Board of Directors met September 9, 2026 in the Community Room. Vice President Nathan Walsman presided and called the meeting to order at 7:30 PM. Other Directors present were Michael Dora, Jeff Haboush, Steve Gray, Debbie Richter, Abigail Anderson, Craig Stilwell, Ryan King, and Polly Fox (virtual). Members in attendance were Jim Schutte (557), Tim & Barb Hanson (1225), Kim Stilwell (201), Larry Nicks (567), John Foudray (1142), Tony & Connie Adelman (198), Deb Yost (803), Debbie Higinbotham (1338), Mark Hirt (1107), Tina Salemme (605), Cathy Gray (911), Tom & Jodi DePalma (218), Kevin & Nancy Dick (344), Karen Leisring & Ed Nungester (378), Chris Ehrhard (915), John & Lacy Hunt (912), Steve Gagliardi (914), Maurie & Carol Goodwin (285), Joe Hooten (371), Debra Haboush (536), and Stephanie Kathmann (548). Members attending online were Stephanie Schene (1133), Chad Weldishofer (604), and Maureen Lakin (1162).

Vice President Walsman called for a review of the minutes of the August 12, 2026 meeting. The minutes were approved on a motion by Craig and second by Ryan.

Michael gave a brief review of the Treasurer's report. The Treasurer's report was approved subject to review. Michael then presented the following bills to the Board for approval:

Aquatic Control	$	1,312.50		Rumpke	$	1,768.68
Best Way Disposal	$	671.34		Stone's Farm Service	$	256.33
Cardinal Pest Control	$	110.00		Stone's NAPA	$	105.63
Civil & Environmental Consultants	$	2,000.00		Summit Microsystems, Inc.	$	50.00
Colonial Life	$	330.96		Telispire	$	71.13
Elan Financial Svcs	$	4,781.07		The Office Shop	$	51.95
Gillman Home Center	$	27.57		Tops Home Center	$	1,103.24
Koenig	$	3,690.00		Walters Tire	$	903.09
Lake Santee RWWD	$	790.70		*Bills paid prior*		
Lecher, John	$	195.15		Circle City Pyrotechnics	$	9,000.00
Murphy Insurance Agency	$	927.00		Eddy, Joyce	$	250.02
New Point Stone, Inc	$	525.92		Purchase Power	$	89.59
Premier Energy	$	7,842.45		Verizon Wireless	$	237.88
RBSK	$	98.00		**Total Disbursements**	**$**	**37,190.20**

Marina

First Financial	$	243.70		Straber Oil, Inc.	$	9,640.97
Lake Santee RWWD	$	223.74		*Bills paid prior*		
Lecher, John	$	221.13		Straber Oil, Inc.	$	7,084.68
New Point Stone	$	1,564.49				
RBSK Partners	$	62.50		**Total all disbursements**	**$**	**19,041.21**

After presentation, the bills were approved for payment on a motion by Ryan, seconded by Steve .

MEMBER INTRODUCTIONS AND COMMENTS

Members were asked to introduce themselves and were given the opportunity to express comments.

- Member asked for the new board member's email to be made available in Smoke Signals
- Member stated that nobody was present checking beach passes over Labor Day weekend. Member also stated that someone is taking chunks of asphalt off the pickleball court.
- Member stated the white buoy and the orange surf buoy have been swapped and skiers are skiing too close to the shore.
- Member said maybe moving the surf buoy should be moved out to the white 100' buoy.
- Member wanted to clarify that Smoke Signals is not going broke as rumored but there are rising costs so please let them know if there are possible company sponsors.
- Member reiterated the concern for people boating too close to shore and said without markers it is very difficult to know.
- Member stated they joined online to hear the new proposed rules and hope to be able to give feedback.

CORRESPONDENCE

- Received an email from a member concerning a fishing boat without lights on. Security reviewed camera footage and contacted Chip Ayres, fishing tournament coordinator. Chip identified the boater and took appropriate action under the tournament guidelines.
- Received multiple emails and office visits from members on the proposed wake surfing rule. The information was forwarded to the full board.
- Received a request for a stop sign at intersection of Santee Drive. Abigail, John Lecher, Ryan King and John Foudray met to discuss this intersection. The group will propose signage at additional intersections. Material costs will be gathered and then additional funds requested this year or added to next year's budget.

COMMITTEE REPORTS

Rules & Regulations – Nathan Walsman

Original Rule

5.5 - No special equipment will be allowed on the Lake, such as jet skis, ski jumps, ski kites and other equipment used to perform special effects. This list is not all-inclusive and may at the Board's discretion include other equipment as it becomes available. The use of commercially manufactured ski booms will be allowed on weekdays, Saturdays and Sundays from green light AM to 12 noon. Booms will not be allowed on any holiday or any three-day weekend.

Proposed Rule

5.5 - No special equipment will be allowed on the Lake, such as jet skis, ski jumps, ski kites and other equipment used to perform special effects. This list is not all-inclusive and may at the Board's discretion include other equipment as it becomes available. The use of commercially manufactured ski booms will be allowed on weekdays, Saturdays and Sundays from green light AM to 12 noon. Booms will not be allowed on any holiday or any three-day weekend. **Ballast (water ballast and simulated ballast) that is designed for the purpose of increasing the height of the wake is permitted but only within the designated area from the dam northward to the second cove**

north of the main beach on the east side. This area will be designated by specific orange buoys marking the northern most border.

Rationale: Language was added to clarify that ballast is acceptable but language was also added to keep the use of ballast to the deepest and widest part of the lake.

Nathan made a motion to accept the first reading. Abigail seconded the motion and the motion passed

Original Rule

5.6 Wake surfing will not be allowed from 11am to 4pm on weekends and holidays beginning the start of day Saturday of Memorial Day weekend through the end of day Monday of Labor Day weekend. Wake surfing will only be allowed in the area from the dam northward to the second cove north of the main beach on the east side. This area will be designated by specific buoys marking the northern most border. While wake surfing, boats must stay 200 feet off the shoreline at all times. Wake surfing (similar to, but not the same sport as, wakeboarding) is a water sport in which a surfer trails behind a boat, surfing the boat's wake.

Revised Rule

5.6 Wake surfing will not be allowed from 11am to 4pm on weekends and holidays beginning the start of day Saturday of Memorial Day weekend through the end of day Monday of Labor Day weekend. Wake surfing will only be allowed in the area from the dam northward to the second cove north of the main beach on the east side. This area will be designated by specific **orange** buoys marking the northern most border. While wake surfing, boats must stay 200 feet off the shoreline at all times. Wake surfing (similar to, but not the same sport as, wakeboarding) is a water sport in which a surfer trails behind a boat, surfing the boat's wake. **A wake surfing permit will be required to engage in the sport of wake surfing at the above designated times and dates. Thirty (30) permits will be made available to anyone wishing to use wake enhancing equipment for wake surfing. The wake surfing permit will follow the member not the boat.**

A member:

a) **Must own a wake surfing boat in order to obtain and retain a wake surfing permit.**
b) **Can retain their wake surfing permit for as long as they own a wake surfing boat and purchases a permit every year. Any lapse in renewal of the permit will require the permit to go on the membership waiting list. Permit year follows the fiscal year which is March of current year to February of the following year.**
c) **The board of directors shall determine from time to time the amount of fee to be charged for the permit.**
d) **The board of directors shall have the authority to revoke an owner's permit due to rules violations.**

Rationale: With many communities not allowing wake surfing, the rule is intended to limit the amount of additional members coming to wake surf.

Nathan made a motion to accept the first reading. Steve seconded the motion and the motion passed. (Ryan was a nay vote).

Recreation – Debbie Richter

The following recreation events have occurred since the August 8th, 2026 LSPOA meeting:

- The Belair's Band -July 18th, 2026 (Rained Out, cancelled for this year and next year due to budget cuts.
- Farmers Market – was held Sat August 29th, 2026. We had 12 vendors and 3 farmers selling local produce. It was very well attended. I want to thank Mary Tapke for being there to greet our vendors and oversee the event! It was a great Event!

Labor Day weekend!!

- Project 19 Band – September 4th, 26
- Wade Griffin Music – September 5, 26

Upcoming Events

- Movie Night - Sept 12, Canceled
- Nuttin Fancy Band - September 25th at the Amphitheater
- Sapphire Express Band - September 26th at the Amphitheater
- Drum Circle - October 3, 26th at the Amphitheater
- Yoga at the Nature Habitat October 10th, 2026 at 9am led by Angela at our Lake Santee office.

Community Room Committee – Debbie Richter

There were 4 Community Room rentals and 1 Shelter rental in August.

Lakes & Beaches – Jeff Haboush

8/24/26: Ride along with Solitude Solutions showing our coontail and pond weed issues they believe we have a water imbalance issue. Follow up call on 8/26 with a supplier for them suggested their products as harvesting coontail creates more issues long-term. Sending us a plan and proposal with pricing.

8/26/26: Follow up call with CEC moving forward with spillway repairs to be done while water level is down for marina seawall replacement.

9/9/26: Follow up on site with CEC spillway repairs walk through.

Reminder of more aggressive lowering of lake this year. Boats off water by Nov 1st. Intended draw down levels are as follows:

10/10/26 - 6"
10/17/26 - 12"
10/24/26 - 18"
10/31/26 - 30"
11/7/26 - 42"

Membership – Steve Gray

We had 3 new memberships in the month of August.

Marina – Steve Gray

Marina Shop

This may be a good time to get with Pat and Chuck about scheduling them to get your boats out of the water in the fall.

Lakeview Wellness (Marina House)
Wellness Center - Construction has begun. The first phase of the marina renovation is officially underway, beginning with work in the Pool House. After a great deal of work behind the scenes, it is exciting to see the project moving forward. The new ADA-accessible entrance and wellness offices are also underway, with permitting expected to begin soon.

The reopening date for the pool is still to be determined; we are hopeful that it will reopen before the end of the year and they working hard toward that goal. In the meantime, Lakeview Wellness continues to offer wellness services and classes during construction. Visit lakeviewwellness.org to book appointments, view class information, and follow renovation updates. Any temporary class location changes will also be posted on the website.

Marina Sea wall – The Marina Docks and Gas Pumps will be removed by November 1st. Work will begin shortly after November 1st and is expected to be completed by December 1st.

Marina Store
The Store hours for September will remain the same through September
Sunday 12:00 pm - 7:00 pm
Wednesday 3:00 pm – 7:00 pm
Friday 1:00 pm – 7:00 pm
Saturday 10:00 am - 7:00 pm

For the first three weeks of October the store will be open as follows:
Saturdays 10:00 am – 5:00 pm
Sundays Noon – 5:00 pm

The last day open for the season will be Sunday October 18th.

Building Committee – Craig Stilwell
The following Building Permits were issued in August:

Bill & Heather Corya	804	Asphalt Shingles & Walkway
John & Lacy Hunt	912	Driveway Culvert
Marty & Stacy Meisberger	808	Dock
Matthew and Shelli Griffin	1486, 1487, & 1488	Siding & Windows

Clean Up – Craig Stilwell
A cleanup inspection round (by road) was conducted on August 18th 2016. The committee was looking for violations of the following two rules:

11.11 It shall be the responsibility of all persons owning, renting, leasing or controlling property including improvements thereon in the Subdivision to maintain such premises in a clean and orderly manner and to a standard conforming to other orderly premises within the Subdivision. No person shall abandon, neglect or disregard the condition or appearance of any property or improvements thereon so as to permit the same to become unclean, unsightly, unsanitary or offensive to the senses

of neighbors or other persons viewing such property. No person shall permit the unsightly accumulation of litter, waste or other materials on such property including, but not limited to, waste paper, boxes, rags, cans, bottles, glass, lumber, building materials, metal, unstacked firewood, garbage, brush piles, car parts, machinery, appliances or furniture for a period longer than ten days in any calendar year, unless specifically authorized in writing by the Lake Manager.

11.12 No person shall store in open view any motor vehicle, boat or trailer, which are incomplete, inoperable or in the case of motor vehicles, which are not operated on a regular basis.

As a result, 1 thank you letter, 6 courtesy letters, 2 second-notice letters, 1 third-notice letter, and 4 "fines continue" letters were sent to members related to rule 11.11. An additional 9 letters were sent to members related to rule 11.12. Please note, the wording of rule 11.12 makes it difficult to address boats and cars that are currently stored on members' properties because it isn't easy to determine if they are inoperable and/or not operated on a regular basis.

Roads & Maintenance – Abigail Anderson

- 12 locates
- Repaired main beach water slide.
- Applied last calcium chloride to gravel roads.
- Maintenance on equipment.
- Installed drainage swell at north entrance.
- Repaired water drains for marina furnace leak.
- Discussion to double chip and seal gravel roads
- Maintenance taking care of skunk invasion around the lake

OLD BUSINESS

Nothing to report

NEW BUSINESS

- 1st Reading propose change to Rule 5.6
- Lake lowering up to 5' – A motion was made by Michael to allow the lowering of the lake up to 5' to be able to install the new seawall. Craig seconded the motion and the motion carried.
- Decatur County Health Department – Flu shots 10/22 & 11/7 12:30-2:30. Ryan made a motion to accept the flu shots on the given date. Steve seconded the motion and the motion carried.
- Autopay Verizon bill on credit card. Michael made a motion to accept autopay, and the motion passed on a second by Craig.
- Resolution for Restaurant Committee – Ryan made a motion to accept the restaurant resolution. Michael seconded the motion and the motion carried.
- East Beach Fundraiser levels – Different levels of sponsorship being made available for the East Beach. Craig made a motion to approve the sponsorship levels. Abigail seconded the motion. Jeff abstained and the motion passed.
- Community drum circle at the amphitheater Saturday October 3rd from 7-9 – Michael made a motion to accept the event. Ryan seconded the motion and the motion passed.
- Yoga Flow class at the Nature Habitat Saturday October 10th 10:00 AM – Craig made a motion to accept the event. Jeff seconded the motion and the motion passed.
- US History of Bourbon Fund Raiser October 10th Fire Station. Proceeds go to the Clarksburg Fire Dept and Lakeview Wellness – Deb made a motion to accept the event. Ryan seconded the motion and the motion carried.

MANAGER'S REPORT

Paul wanted to remind everyone that items for the October Smoke Signals need to be in by September 18th.

An approved list of goose hunters will be hunting Canada geese from October 31st – November 8th.

We will be lowering the lake faster this year once we open the spillway gate valve to prepare for the seawall repair in November and December. We will need all boats off the water by November 1st.

October hours in the Marina Store will be Saturdays 10:00 -5:00 and Sundays 12:00 – 5:00 from October 3rd – October 18th.

With no further business to discuss, the meeting was adjourned by a motion from Ryan and a second by Steve.

Respectfully submitted,

Nathan Walsman, Vice President/Secretary

All L.S.P.O.A. board meetings are the second Wednesday of each month at 7:30 P.M., in the Community Room. It is an open meeting for all of our members .
